

Changing Lives, and Strengthening Communities

Find out how you can become a homeowner through Habitat for Humanity

We will provide an interest free mortgage for qualified families. We offer a “hand up, not a handout.” To be considered you must conform to the income eligibility guidelines according to your family size (**SEE CHART BELOW**) Each partner family will be expected to pay for their home. All partner families must save \$2,500.00 by the time of the Closing and be willing to complete sweat equity hours.

Please attend our next orientation at **Faith Jubilee Church 17450 Crawford Ave, Country Club Hills, IL 60478, Saturday August 20, from 10:00 am to 12:00 pm.** At this event you will receive an application and other valuable information about our program.
