

“Don’t give up!”

Craig is a Caregiver employed at Help at Home for six years and also works as a Security Guard at the Genesee Theater for the past ten years while Doreen has been a Unit Secretary employed at Vista East Hospital for over ten years. Their son, Shahron, also lives with the Hills.

The Hill’s journey to becoming a home owner started in 2015, and the road was sometimes difficult and challenging, but the Hill’s persevered through over 500 hours of sweat equity and 30+ classes, primarily in financial management. Family Services Coordinator, Eunice Bridges, asked Craig to say a few words of encouragement to those considering becoming a Habitat Partner Family.

Craig told the dozens of people interested in owning a Habitat home, “When I go home, I feel comfortable, I feel at Peace. There’s nothing life owning your own home.

God is good and He always is on time. Habitat has been a Blessing to my wife and me. “

The Hill Family moved into their Waukegan Habitat home in Spring of 2016.
