

We build strength, stability, self-reliance *and* shelter.

April 22, 2020

To our valued Partner Homeowners,

We are facing an unprecedented time in our country, and around the world, with the spread of COVID-19. We recognize this is a stressful time for you and your family, and that you may be struggling now more than ever to make ends meet. DuPage Habitat for Humanity's goal is to help our partner families become financially healthy homeowners and now, more than ever, we recognize how critical that goal is. We are here to support and guide you as the situation continues to evolve.

Should you be experiencing financial problems due to being laid off, furloughed, or having a reduction in hours within your household due to COVID-19, please reach out to us for assistance. You can contact Daryel Wexler via email at dwexler@dupagehabitat.org or by phone at 630-510-3737 extension 1003. On a case-by-case basis, DuPage Habitat for Humanity will work with our homeowners impacted by the COVID-19 pandemic in an effort to maintain a safe affordable home for everyone in our Habitat family. This could include delaying payments, restructuring mortgages, or obtaining grant assistance to assist with housing payments.

Please know that we are continue to monitoring the disruption and potential adverse effects caused by COVID-19 and are taking appropriate measures to ensure that we can provide the best possible service and continuity of operations to you. We recognize this is a difficult and extraordinary time for you and your family. As we navigate this uncharted territory together over the next several weeks, please know we care and we are here to help you.

In partnership,

David Neary
Executive Director
DuPage Habitat for Humanity
