

You have a chance to give the women in your life a unique and meaningful gift.

Instead of purchasing flowers, or chocolates for your mom, friend, sister, or partner, make a donation in her honor that will help [Tanya Duffie](#), a hard working single mother of four build a home.

Perhaps you would like to celebrate the memory of a loved one. Donate to [Women Build](#) in memoriam to help Tanya build her future as a homeowner.

Use the link below to make a donation today!
