

Individual Participant Sign-Up

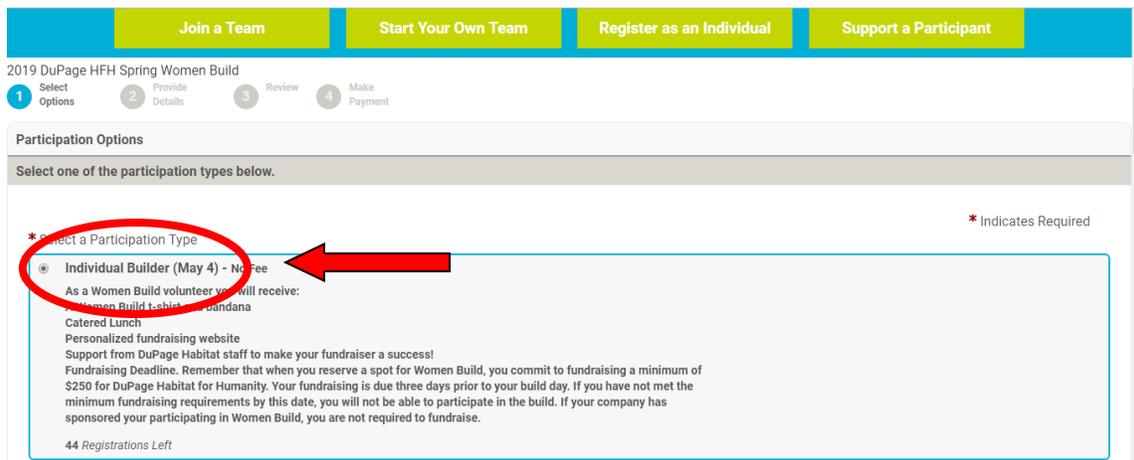

Women Build Week— May 4-11, 2019

We are so excited to have you as a volunteer at our Spring Women Build! The first thing you need to do is register as an individual participant here: <https://tinyurl.com/2019SpringWB>

When you reach the website, it will look like this. Click “Register as an individual”, circled below.

After clicking this link, you will see the page below. Here, you will select the date you want to volunteer and “Individual Builder” - **NOT “Team Captain”**. The example for an individual volunteering on May 4 is circled.

You should then scroll to the bottom of the page, where you will be able to fill in your fundraising goal, make an initial donation to kick-start your fundraising, and choose whether or not you want a \$10 pink hard hat. Then, click “next step.”

On the next page, you will see an option to log in as a returning user, or join as a new participant. Click **“Join as a new participant”**.
