

Link Your Fundraising Page to Facebook

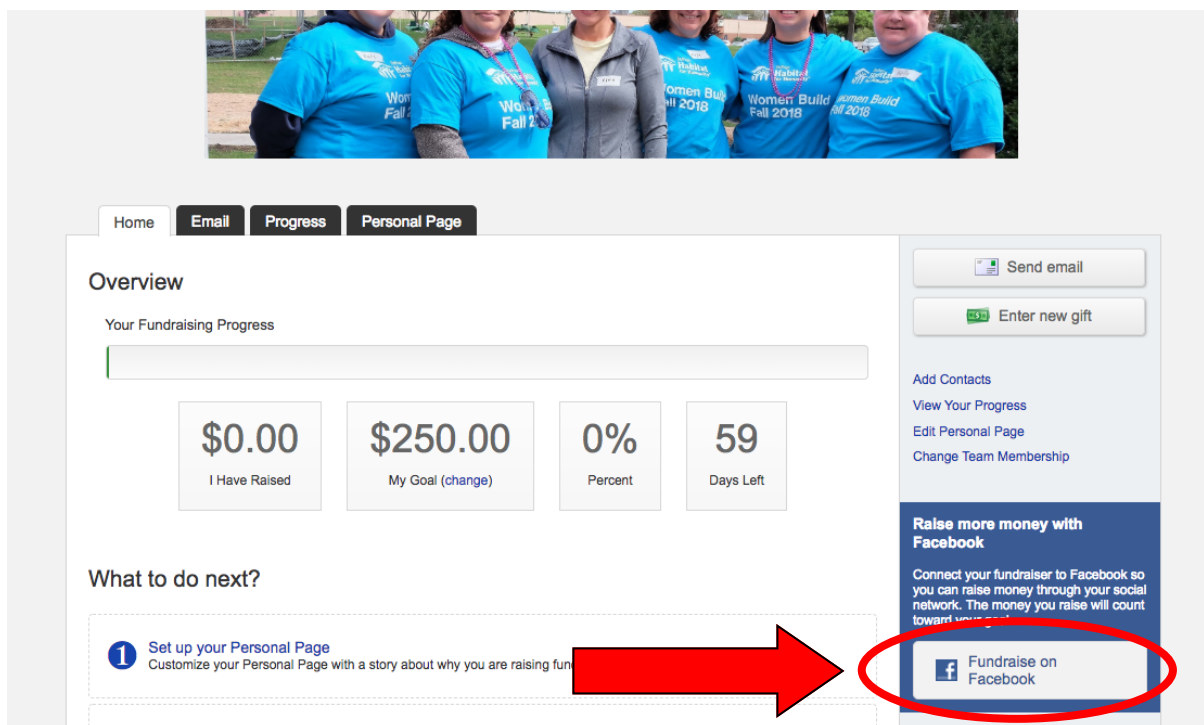

Women Build

We're making it easier than ever for you to ask your friends and family to support your fundraising efforts! By linking your fundraising page to your Facebook account you'll be providing your supporters a safe, secure and EASY way to donate. The best thing is that ALL of the money collected through your linked account will go towards your goal! Once you've registered for Women Build and created your fundraising page, you will be able to connect it to your Facebook.

Get started by logging in to the [Participant Center](#):

Once you've logged in you'll see your participant homepage. In the right-side column, there will be a blue box for raising money with Facebook. Click on "Fundraise on Facebook" as shown below.

Enter your Facebook log-in credentials when prompted and click “Log In.” You will then give Facebook access to your DuPage Habitat fundraising page, to link the two pages. Make sure you see your own Facebook icon, then click “OK.”
