

Volunteers In Service To America

Travis Jones has led quite the eventful life. Beginning in 2005, Travis grew up in Habitat home with his Mother, Geraldine, who at that time worked at Allstate Insurance.

Fast forward 10 years, and Travis has come full circle when he spent a year of his life in service to others as an AmeriCorps Construction Crew lead.

From receiving a hand up to providing one, Travis' story is a wonderful example of how life can come full circle.

This summer, Habitat for Humanity Lake County will once again welcome 3 VISTA members to support and work alongside our team. VISTA is an initialism for **Volunteers in Service to America**.

The three areas which these VISTA members will support the Marketing, Development and Volunteer functions in Lake County.
