

About Us

Habitat for Humanity of Lake County is an affiliate of Habitat for Humanity International. We strive to change the systems that lead to poverty housing and build communities where everyone can afford to live.

To date, Habitat has built or repaired more than 800,000 houses and served more than 4 million people worldwide.

Our Vision

A world where everyone has a decent place to live.

Our Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

Habitat for Humanity Veterans Build

Habitat for Humanity of Lake County recognizes that our military-connected families and veterans struggle to meet every day needs, including securing decent and affordable housing. We believe in the strength, stability and self-reliance that homeownership can provide and we encourage all military-connected families and veterans to apply.

Interested applicants must meet the following eligibility requirements to be considered as a prospective homeowner:

- Have need – one or more major problems of quality, crowding or cost
- Have the ability to qualify for and repay a low interest loan
- Be willing to partner by investing 250+ in sweat equity hours into the construction of their home and the homes of others

111,633

Approximate number of Illinois veterans living with one or more major problems of quality, crowding, or cost.

Home Ownership

We believe every veteran deserves to be welcomed home with dignity, honor, and respect. We are looking to partner with military-connected families, veterans and their caretakers to build a new safe, stable, and affordable home.

Home Repairs

Habitat's Critical Home Repair program is designed to improve the quality of life and living conditions of low-to moderate-income homeowners by focusing on both exterior and interior home repairs. These partnerships keep homeowners in their homes and improves the community.

Volunteer

Get involved with Habitat for Humanity of Lake County. Your leadership skills and expertise can make an impact on many families in need. Join one of our Veterans Build events. Help repair homes for fellow veterans and others in need of health and safety repairs. Shop, donate or volunteer at our ReStores in Gurnee, IL. All proceeds go back into building strength and stability in Lake County.

25%

Nearly 25% of veterans aged 55 and older are paying more than 50% of their income for housing.
