Early Bird General Admission \$50 (ends April 16)
General Admission \$65 (begins April 17)
Must be 21 to enter

The Cause

Local Chicagoland breweries, the Joliet Bourbon Club, and community partners are uniting to make a lasting difference in our community by building a home for a veteran and their family as well as support the work of Habitat for Humanity across the region.

A safe and stable home is vital for the long-term success of families, as homeownership allows men and women to save more, invest in education, live in healthier environments and increase their financial stability. Investing in people in our own communities is an investment that pays dividends for decades to come.

The Fun

Be prepared to sample craft beers and bourbons from area breweries, as well as delicious food pairing options. There will be raffles, music and much more!

Join Us

There are a variety of sponsorship packages available designed to give your company or organization the benefit of recognition for your participation, as well as engagement in your own community. Please review the following sponsorship levels and benefits. We hope that you will join us on May 21st for a wonderful cause.

Tickets may be purchased at www.foxvalleyhabitat.org
